Based on a painting cycle of buildings every 8 years and roofs every 5 years

- * Repair and painting of roof of G building moved up one year due to corrosion and peeling of the elastomeric coating on the seams
- ** Roof of A, B, C, L, M, and N were repainted at no charge due to fading. Pro-Touch covered the cost of the paint and labor.
- *** Roof of H and J Building were repaired by Pro Touch at no cost to CBA. Patch painting was completed by CBA personnel in August 2012
